

CREATE THE FUTURE

BRING BOLD IDEAS TO LIFE.

We build tomorrow by turning fearless creativity into solutions that outlast today's challenges.

THRIVE TOGETHER

COLLABORATION FUELS PROGRESS.

We succeed when we learn, build, and grow as one team and one community.

CORE VALUES

ROBONATION

1.

2.

3.

4.

SPARK CURIOSITY

TURN QUESTIONS INTO DISCOVERY.

We see every challenge as an opportunity to learn, explore, and expand what's possible.

KEEP IT REAL

WE'RE HUMAN, NOT ROBOTS.

We act with honesty, humility, and respect, because behind every bot is a person who matters.

OUR VALUES

At RoboNation, our values express the spirit of curiosity, creativity, and collaboration that drives everything we do. They remind us who we are, how we work together, and what makes our community of students, educators, mentors, volunteers, and professionals special. These values are more than words, they're a guide for how we build, learn, and succeed as a team and as a community.

CODE OF CONDUCT

robonation

1

GIVE YOUR BEST EFFORT

Display honesty, integrity, and sportsmanship.

2

COMPETE FAIRLY

Team products are solely the creation of student participants' own efforts, ideas, and designs with supporting mentors providing only verbal advice.

3

RESPECT OTHERS

All participants and guests will display courtesy and respect toward officials, volunteers, other teams, and guests.

4

ACT WITH INTEGRITY

All participants and guests will behave responsibly and follow the rules of the competition and host organization.

5

SUPPORT EACH OTHER.

All participants will embody the spirit of RoboNation and endeavor to engage with, learn from, and support one another.
