I, \_\_\_\_\_, acknowledge that I have voluntarily applied to participate in the 2022 Maritime RobotX Challenge and
Printed Name of Participant activities ("RobotX") hosted by RoboNation, Inc. ("RoboNation").

Name of Participant: \_\_\_\_\_ Date of birth: \_\_\_\_\_

Name of Emergency Contact: \_\_\_\_\_ Telephone #: \_\_\_\_\_

I acknowledge that participation in RobotX is a benefit offered to me. I further acknowledge that I have read, understood and voluntarily agree to abide by all of the
rules applying to RobotX 2022 (hereafter named "Competition"), including the tenets of the RoboNation Code of Conduct while attending or participating in the
Competition. The Competition may include but is not limited to the following activities: virtual group conversations, interactive sessions in an online platform, and in-
person participation at the Competition. In the case of virtual events, all the terms and conditions of usage, including privacy notices and terms of use, that
accompany the websites or links apply.

I understand that my participation in the Competition comes with inherent risks. RoboNation, the Australian Department of Defence – Science and Technology Group,
and the Sydney International Regatta Centre (hereafter known as "Releasees") make every effort to minimize potential dangers at the Competition; however, such
risks can never be completely eliminated. Participants and related persons should be adequately prepared for potential hazards to persons and/or property involving
transiting to and from the competition site, transporting equipment, and accidental drowning.

In exchange for the privilege of participating in the Competition, I agree, for myself, my heirs, executors and administrators, to release, indemnify, and hold harmless
Releasees, their staff, contractors, and volunteers from any and all liability, claims, demands, and causes of action whatsoever, including bodily injury resulting from
the Competition or anyone administering emergency assistance, and including risk of loss or damage to personal property to me or other participants, arising out of
my presence at, or participation in, the Competition, WHETHER IT RESULTS FROM THE NEGLIGENCE OF RELEASEES OR ANY OF THEM OR ANY OTHER CAUSE. I
assume full responsibility for any bodily injury and/or property damage arising out of or related to my attendance and/or participation.

I further agree that, if at any time, I feel any activity during the Competition to be unsafe, or if I observe unsafe behavior on the part of other participants/observers, I
will immediately notify the appropriate Competition official and/or refuse to participate in or observe any further activities. I am aware of the risks and hazards
inherent in participating in the Competition, and I elect to voluntarily participate, knowing that participation may entail a risk of injury.

I am fully aware of the risks and potential hazards connected with participating in the Competition, including but not limited to, the risk of data mining, phishing,
viruses, malware, data breach of online information, cyberbullying, exploitation, victimization, cyber stalking, cyber predators, digital footprint, reputation loss,
compliance violations, brand hijacking, image replication, and I hereby elect to voluntarily participate in the Competition, and engage in such activity knowing that the
activity may be hazardous to my property.

I understand that I am participating in the Competition at my own risk and expense and agree that I will not bring any claim or cause of action of any kind or nature
against Releasees. This waiver, release and discharge does not excuse Releasees for their liability for intentional harms or for reckless, wanton, or gross negligence.

I agree to abide by the tenets of the RoboNation Code of Conduct while participating in the Competition. I understand that failure to abide by this Code of Conduct may
result in the disqualification of the team and/or participants from the Competition, components of the competition, the full competition, and/or future competitions.
