

ALEXANDRIA UNIVERSITY / AASTMT
SOBEK TEAM

COMMUNITY & OUTREACH

the team finished 2 outreach events already offline one in the TVI building being visited by students at Alexandria University and the other is an online event on Facebook attended by students from port said university, smart village university, and the Arab Academy we also plan for another two events soon to increase the name of the team and to have successful Call for new members in the coming year

photos from the first offline event are uploaded on our Facebook page
