Team Video Requirements

Each Team is required to submit a 2-3 minute video introducing their team. This video will be scored, and will be used online and on-site, as necessary. The video is not intended to present teams’ vehicle design and it may not be used as part of the design presentation.

MPEG Streamclip:
To compress the video, please use the following:
- Format: .MP4
- Compression: H.264
- Quality: 50%
- Sound: MPEG-4 AAC 128 kbps
- Frame Size: Unscaled

Here is an example of the MPEG Streamclip settings:

After submission, all team videos will be hosted on the RoboNation YouTube Channel.
