

Coast Guard One (HS-352)

Describe how your team is giving back to the community and why do you think it is important?

We will begin authoring Science Awareness postings on our Facebook page and website. Seaperch is our Primary STEM Focus, at this time. Future directions will include Astro Physics and Biology.

We chose this because both the website and Facebook page are established and functioning, now.

BOSTON'S BEST YOUTH PROGRAM
AGES 13 TO 18

The U.S. Naval Sea Cadet Corps provides compelling, life-changing programs that instill the values of teamwork, discipline, camaraderie and service through our passionate all-volunteer force and our partnerships with our nation's armed forces.
