Describe how your team is giving back to the community and why do you think it is important?

Outreach is very limited this year due to the restrictions of Covid. Our teacher talked about the Seaperch program at a district wide Career Tech Zoom meeting. Both of us, Mauryn and Francheska will be attending the Chouteau School Board meeting on Thursday May 6. We will be telling them about the Seaperch competition and we will show them our report. We will tell them what we learned and about competing in the International Virtual Seaperch Competition.
