Aquanauts
Grant County 4-H, Sheridan, Arkansas

4  Years participating in SeaPerch
2  Times at the International SeaPerch Challenge

Our SeaPerch is unique because:  (100 words MAX)
Our SeaPerch is unique because it has a pex frame and it has an underwater camera.

SeaPerch Design Overview:  (100 words MAX)
Team Aquanauts’s final design is a 7”x4”x4” PEX Pipe red frame. The ROV utilizes closed cell foam and four 3D-printed components. It has two capsules to hold forward motors, one capsule to hold the up-down motor, and lastly a 3D-printed hook. Our ROV is special because it has a forward-facing camera so drivers can see obstacles.

Our biggest takeaway this season is:  (100 words MAX)
Our biggest takeaway this season is to battle through adversity.
