Our SeaPerch is unique because: (100 words MAX)

Our Seaperch is unique because its ability to go through the water at a fast pace while being around 500 grams. The hook of it is also unique because it has 3 ways to pick up rocks.

SeaPerch Design Overview: (100 words MAX)

Our seaperch craft is a CPVC craft with 90-degree elbows that hold the flotation. It also has a custom hook that is made out of a coat hanger and a 3D-printed base that the coat hanger goes into. This hook is custom made for the mission course to pick up all of the balls and other things.

Our biggest takeaway this season is: (100 words MAX)

A big takeaway from this season is to make sure that the motors don't let water into them. Another takeaway is to build a craft earlier in the season so there is time to change things and make it better.
